5.1 Coordination of Sailings

5.1.1 The Parties may consult and agree upon the deployment and utilization of Container Ships ("Vessels") in the Trade including, without limitation, sailing schedules, service frequency, ports to be served, port rotations, type and size of Vessels to be utilized, feeder arrangements, including the sale or exchange of feeder slots among them, the addition or withdrawal of capacity from the Trade and the terms and conditions of any such addition or withdrawal.

5.2.2 On such terms and subject to such operating limitations as (a) the Parties may agree, or (b) may be imposed by applicable law, each Party shall accept for transportation and transport any and all containerized cargo and equipment tendered to it by another Party up to its allocation. As used in this Agreement, the term "equipment" includes, but is not limited to, containers owned or leased by the Parties, whether full, partially loaded or empty and other freight service equipment that the Parties may agree upon.

5.2.3 Each Slot Charterer and any slot sub-charterer may advertise sailings by Vessels on which the Slot Charterer is allocated Slots under this Agreement.

5.2.4 A Slot Provider who fails to faithfully perform its obligations hereunder shall hold the other Parties harmless from and indemnify the other Parties against any losses, claims or damage arising from such failure, including but not limited to such losses, etc. from cargo owners/insurers, including attorney's fees and expenses. Each Party shall issue its own bills of lading regardless of whether the Party is acting as Slot Provider or Slot Charterer.

5.6 Documentation, Data Systems

5.7 Foreign Operations

5.7.1 Subject to Article 5.7.2, the Parties may discuss and agree on use and rationalization of one another's feeder, port, terminal and intermodal operations within and between foreign countries. The Parties do not intend to bring foreign-to-foreign transportation under the jurisdiction of the U.S. Federal Maritime Commission, or to expand antitrust immunity beyond the scope of immunity granted by the Shipping Act of 1984, as amended.

5.7.2 As regards the European Union, the parties shall only have such authority insofar as inland or land-side operations are concerned to the extent permitted under applicable law,

provided the Parties take all necessary steps to comply with the requirements of Regulation 17/62 and Regulation 1017/68 applicable to such operations.

5.8 Miscellaneous

Each party shall offer its own Service Arrangements.

5.11 No detriment (Regulation 823/2000, Article 8(d))

No Party shall, within the Common Market, cause detriment to certain ports, Transport Users or carriers by applying to the carriage of the same goods and in the area covered by this Agreement, rates and conditions of carriage which differ according to the country of origin or destination, or port of loading or discharge, unless such rates or conditions can be economically

justified.

No cooperative working arrangement shall be carried out among the Parties hereto in regard to the Trade except as authorized herein. Failure of a Party to this Agreement to obtain approval of any authority, for any reason, shall not provide the basis for any

recourse, liability or damages whatsoever.

9.2 Subject to Article 9.1 above, operations under this Agreement shall commence on January 1, 2003 and shall remain in force for a period of one year, unless terminated earlier by unanimous agreement of the Parties. Notwithstanding the above, this Agreement shall be automatically extended indefinitely after the expiration of the initial one year period unless terminated by the Parties or by operation of law.

9.3 Any Party may withdraw from this Agreement at any time by giving six months prior written notice to the other Parties of its intention to do so provided that the earliest such notice can be given is six months after January 1, 2003.

9.4 Notwithstanding the above provisions, this agreement may be terminated at any time by mutual consent of the parties.

9.5 If any Party becomes involved in any one of the following situations, any of the other Parties has the right, by giving written notice, to withdraw from the Agreement immediately without prejudice to any already accrued rights and obligations:

- (a) Commencement of dissolution procedure;
- (b) Filing of any bankruptcy or insolvency procedure involving any party;
- (c) Making a general assignment or composition with its creditors.

9.6 Notwithstanding any other provision of this Agreement, in the event it is terminated or a Party withdraws it shall remain in force until each Vessel operated pursuant to this Agreement shall have completed discharging at the last port on the last leg of her final complete voyage which commenced prior to the effectiveness of such termination or withdrawal, and all accounts among the Parties under this Agreement are settled.

9.7 By a majority vote, the Parties may expel a Party at any time if such Party is in a condition of serious financial distress adversely affecting its financial viability or is substantially unable to perform its obligations under this Agreement.

If the Parties fail to reach an agreement within sixty (60) days, any Party may withdraw from this Agreement immediately upon written notice.

The arbitrators shall be selected by having each Party to the dispute rank the potential arbitrators from 1 (most preferred) to 10 (least preferred) and providing those rankings to the President of the Society of Maritime Arbitrators. The three arbitrators on the roster of ten that are assigned the lowest cumulative point totals shall be appointed as the arbitrators and the arbitrator with the lowest cumulative point total shall be appointed chair of the arbitration panel.

18.2 In any such dispute, this Agreement shall be governed by and construed in accordance with the laws of New York and, to the extent applicable, U.S. federal or maritime law.

18.3 Arbitration awards which have been accepted by the parties to the arbitration and which settle disputes concerning practices of consortia covered by Regulation 823/2000 shall be notified forthwith to the Commission of the European Communities by the Parties.

19. IMPLEMENTATION DATE

The implementation date of this Amendment 001 is January 1, 2003. During the phase in period, each Party will deploy its vessels and TEU capacity in Article 11.1 and plans to be at full deployment by April 1, 2003.
